

Addressing FASD for Mental Health Professionals in New York State

Free Training Available

Addressing Fetal Alcohol Spectrum Disorders (FASD) For Mental Health Professionals

Presented by Dan Dubovsky, MSW, LSW, FASD Staff Specialist at the SAMHSA FASD Center for Excellence in Washington, DC.

Description: This training is designed for an intermediate level, with the expectation that participants will already have some basic knowledge of FASD. Professionals attending the training will have the opportunity to learn:

- reasons traditional approaches to treatment are frequently unsuccessful for individuals with co-occurring disorders of FASD and mental health;
- interventions that can optimize outcomes for the individual and the success of the agencies and programs that serve them; and
- valuable information to increase their job effectiveness and improve client outcomes.

How to Apply: RSVP by March 9, 2009. Complete the following registration form and e-mail it to FASD@oasas.state.ny.us or fax to (518) 485-9480. A confirmation, along with directions to the training site and other information will be e-mailed to you. You are responsible for your own parking and lunch costs.
