

How to Perform a Basic Search the OASAS Treatment Provider Directory PDF

To perform a search on a PDF, click on the pair of binoculars  in either the menu bar or vertical side bar shown in the screenshot below:

The following menu appears.

How to Perform a Basic Search the OASAS Treatment Provider Directory PDF

Type all or part of the program name that you are searching, for example, type in Schenectady and the search will return a list of instances found, and show you a view of the first instance found by highlighting the word in the document on the right side of the screen.

The screenshot shows a PDF search tool interface. On the left, a search panel displays the search criteria and results. The search term is 'schenectady in the current PDF document'. The results show 1 document with 12 instances. A list of instances is shown, with 'Schenectady' highlighted in several entries. Below the list are links for 'Use Basic Search Options', 'Save and View this PDF in Acrobat', and 'Find a word in the current PDF document'.

On the right, the OASAS Provider Directory is displayed. The header reads 'New York State Office of Alcoholism and Substance Abuse Services Provider Directory'. The directory lists providers for the county of Schenectady, including details such as Program Type, Service, Provider Name, Contact, Program Address, Contact Phone, and Provider No/PRU No.
