### Access LOCADTR via the Health Commerce System (HCS) - 3 Step Process

**Step 1**  
Affiliate your Clinic with the HCS
- Send an email to **locadtr@oasas.ny.gov** asking to affiliate your clinic on the HCS.
- OASAS will send you an email asking you for clinic, Director and Coordinator information that you will have to fill out and email back.
- Once OASAS receives your email with the requested information, they will generate an HCS Director and Coordinator account request and you will receive an email with 3 PDF attachments:
  - Document 1 SAUP (SAUP means Security and Use Policy) – about roles and responsibilities.
  - Document 2 SAUP – about security ‘do not share your account’.
  - Barcoded account form.
- Read and retain the SAUPs to reference.
- Sign the form, have your signature notarized, the notary section must be complete (forms are rejected if it is not complete), keep a copy for account activation.
- Mail both the Director and Coordinator forms together to the address provided in the lower left corner of the form. The Director form must be processed first as the binding agreement.
- Once the Commerce Accounts Management Unit (CAMU) processes your form, you will receive a PIN letter with account activation instructions.

**Step 2**  
Enroll user accounts on the HCS at your Clinic (HCS Coordinator must enroll users)
- Your user must register for an account: [https://apps.health.ny.gov/pub/usertop.html](https://apps.health.ny.gov/pub/usertop.html)
  - **NOTE:** must have a Valid Photo ID to register (see below for a list of Valid Photo IDs).
- Once they register, you must enroll the user on the HCS for your clinic:
  - Sign on the HCS
  - Click “Coord Account Tools- HCS” under My Applications on the left
  - Click “User” under Account Request section
  - If the user has a Valid Photo ID, click “Yes, they have a Valid Photo ID” and follow the steps.

**Here is a list of Valid Photo IDs:**
- US Passport, with photograph and name
- US Driver License with photograph and name
- US Federal, NY State ID card with photograph
- Driver License issued by Canada Govt.
- Unexpired foreign password with I-551/I-94
- Alien Registration Card with photograph
- Unexpired Temporary Resident Card (INS I-688)
- Unexpired Employment Card (INS I-688A)
- Unexpired Reentry Permit (INS I-327)
- Unexpired Refugee Travel Document (INS I-571)
- Unexpired Employment Documents (INS I-688B)
- If they do not have a Valid Photo ID, click “No, they do not have a Valid Photo ID” and follow the steps.

**Step 3**  
Add users to the LOCADTR role for your Clinic (HCS Coordinator)
- Sign on the HCS
- Click “Coordinator’s Update Tool” under My Applications on the left
- Select your clinic.
- Click “Manage Role Assignments” tab
- Click “Modify” next to the LOCADTR role
- Check the box next to each person that you wish to assign the LOCADTR role and click “Add Role Assignment”:
  - If you do not see the person, their primary organization is under another facility. You can do a search for them by Last Name below. Look for a name with a userID, NOT one with a “na” that means No Account. If you assign roles to users with no accounts, they will not be able to log into the HCS.
